

Providing a Full Range of Accessories and Spares

At Retail Associates we understand the need to provide a full range of products and solutions to meet the needs of our customers. Here is a sample of the latest accessories and spares available. For a full list please visit our website www.retailassociates.co.uk

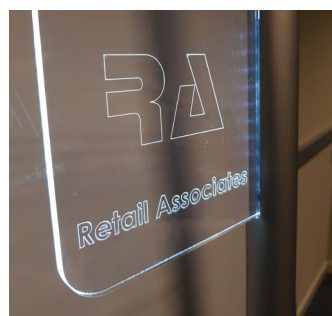

Checkout Bullion Box

The Bullion Box can provide a low cost alternative to air vacuum systems to handle excess cash from checkout drawers.

Security Screens

Our accessories range is continually being revised to include new and innovative products.

Light Globes and Display Holders

A complete range of acrylic light globes and customer display units to suit your needs.

Gates and Belts

Pick from a variety of security gates and belts for your checkout banks.

Chairs and Stools

Choose from our range of sturdy and comfy seating to match your checkouts.

Cash Drawers

Cash Drawers and security products are an important part of our product range.

Accessories

A modern store front end may contain a large number of accessories fitted to checkouts, kiosks and other equipment. Retail Associates has a comprehensive stock of many accessories that form part of the manufacture of our own checkouts or are part of our maintenance packages covering UK and European checkouts.

- Conveyor belts, control boxes and control systems.
- Cash Handling spare parts.
- Front end security systems.
- We manufacture bespoke items for obsolete equipment.

Solutions to Meet your Needs

Before committing to new checkouts, contact us. We can provide:

- Condition report
- Full survey of existing checkouts
- Estimate to carry out refurbishment

The above will assist in the final decision process.
